- Read about other projects
- Send messages potential partners

Please register your project and contact potential partners!

Partnering Visit to Mexico

22 Nov to 28 Nov 2015

To help UK and Mexican participants interested in this competition to meet and develop collaborative partnerships KTN, on behalf of Innovate UK and CONACyT, is organising a visit for UK stakeholders to Mexico on 22-28 Nov 2015.

The visit will include networking and partnering events, R&D collaboration briefings specific to Mexico, meetings and visits to companies, research centres and government bodies in Mexico.

To register your interest please download and complete the application form that will be in meeting mojo and send it no later than 9th Oct 2015 to:
