

## Nano4Life 6<sup>th</sup> Annual Conference & Exhibition

*Converging Nanotechnology with the Life Science Industry*

5<sup>th</sup> March 2014, Royal Academy of Engineering, London

Now in its sixth year, the **Nano4Life Conference and Exhibition** is a forum providing the latest updates on the developments that nanotechnology is delivering within the healthcare industries, and identifies any gaps in the supply chain necessary for commercial and clinical success.

**Nano4Life 2014** will explore the convergence of nanotechnology and life sciences, providing perspectives from clinicians, industrialists and leading researchers, who work with, develop and endorse nanotechnologies so to fulfil and promote the benefits that can, and are, being realised from the implementation of this novel and exciting science in the healthcare sector.

### Programme

The **Nano4Life 2014** programme will focus on the application of nanotechnology in medical devices, regenerative medicine and in the pharmaceutical industry.

Confirmed speakers include:

- **Keynote: Prof Mike Eaton, Nanomedicine European Technology Platform (ETP)**
- Dr Victor Higgs, **Applied Nanodetectors Ltd**
- Octavio Pernas, **H2020 UK National Contact Point for Health**
- Dr Kevin Critchley, **HTC Colorectal Therapies & Leeds University**
- Dr Felicity Sartain, **NanoScientium**
- Dr Steve Atkinson, **Toumaz Group**
- Dr Mike Raxworthy, **Neotherix Ltd**

### Technology Pitches

Applications are being sought from those active in the nanotech space with technologies applicable to healthcare and life sciences to give a 5 minute technology pitch. Applicants should send a 300 (max) word abstract to [natasha.sim@nanokn.com](mailto:natasha.sim@nanokn.com) by **Friday 14th February 2014**.

### Exhibition

The table-top exhibition offers unique opportunities to show-case your products and services to a highly targeted audience and includes:

- 1 delegate pass
- Space for 2 banner stands
- Table for literature and/or product demonstration
- A4 delegate pack insert
- Logo & 50-word Profile on event website

### Nano4Life 2013 feedback:

*"I really enjoyed the meeting, it had a really good "buzz" with lots of good scientific exchange." Marianne Ashford, AstraZeneca*

*"Thanks for coordinating a great meeting – it was a very informative day with excellent presentations and speakers. The networking time was also very rewarding." Del Stark, Del Stark Technology Solutions/NanoPRO*
