

The Composites Research Network is pleased to present the:

## **CANNAPE Roadshow in BC**

**(Canadian Networking Aeronautics Programme for Europe)**

Interested in participating and benefitting from European Union Research and Development Programs? If you are a Canadian company, university, or R&T organization, we invite you to a workshop to understand the opportunities that exist to enable Canadians to engage in European collaboration. A joint Canadian-European group, CANNAPE, has been hard at work on your behalf, navigating and charting the opportunities that exist. Come to this workshop to be updated with the key information you need.
