

How do I join the Aerospace, Aviation & Defence KTN?

Step 1

Follow [THIS LINK](#)

What are the benefits of becoming a member of the Aerospace, Aviation & Defence Knowledge Transfer Network?

Step 2

Select register

The screenshot shows a login form with the following elements:

- Log in** (header)
- Email Address:
- Password: [Forgotten password?](#)
- Keep me logged in? No Yes
- Log In** (button)
- Not yet a member of _connect? [Register now](#)

A callout box labeled "Register" has an arrow pointing to the "Register now" link.

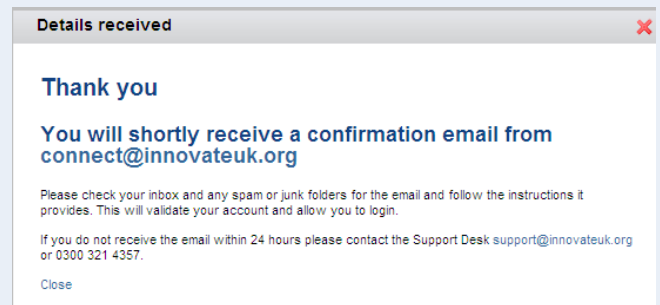

Step 3

Fill out your details; this will only take a minute.

A few things to be aware of:

- Password should be a minimum of 8 alpha/numeric characters
- In the text verification box at the end the characters are always numbers

Wait to receive the confirmation email.

Step 4

Follow the URL link where it states "please activate your account at:"

This link will take you through to the main overview page.

Step 5

Log in.

You need to log in by selecting the option at the top left of your page. **You will not be registered with the AAD KTN until you have logged in.**

Once you have logged in you will go through to a page where you have the option to update your profile. We encourage you to try and keep your profile up to date to enable you to make connections easily. If you do not have the time you can select to do this later.

Now **JOIN** the AAD KTN.
